

Satisfyer's Rabbit is the only Easter Bunny you need this year

This Easter let a different kind of bunny pay you a visit.

London, March 2021: Sexual Wellness brand Satisfyer, who blend intimacy with technology, are here to help us all unlock our sexual potential, regardless of gender or relationship status. And what better for an Easter treat than a Rabbit which is sure to generate a buzz and take orgasms to the next level.

With a Sex and the City reboot on the horizon, 20 years on the famous rabbit has been given a grown up Satisfyer makeover with two powerful motors, skin friendly silicone and a waterproof rating of IPX7 so you can enjoy the vibrations in or out of the bath and shower. Whilst spring is a time for new beginnings, Satisfyer's product range will have you falling down the Rabbit hole again and again.

The revolutionary Satisfyer range offers the unique opportunity to explore and connect with ourselves and our partners. From the classic rabbit to Satisfyer's revolutionary non-touch 'air-pulse', each Satisfyer product has been designed to aide pleasure, sexual health and overall wellness. This Easter, Satisfyer's selection of products are sure to fit into every easter nest!
