Satisfyer Pro 2 with Bluetooth, controllable via app

The most beautiful gift you can give yourself is the breathtaking orgasms that you will experience with the new Satisfyer Pro 2. Wrapped in Christmas red, the patented air-pulse vibrator gives you sensual pleasure any time of the year.

Things get especially exciting with the Connect App control, because it allows you, for example, to give up control and let your sweetheart decide how to pleasure you - even if you aren't in the same room or on the same continent. And because the focus is on your pleasure, you can even create your own vibration rhythms in the app and share them with other users.

Satisfyer Endless Fun

Happiness is always better when it's shared. With the Satisfyer Endless Fun, the name says it all. Because its 33 possible uses promise endless fun and sensual nights during the Advent season. Men and women have countless options with this device - alone or in pairs, in any position, between the sheets or, thanks to the waterproof (IPX7) finish, in the water.

Satisfyer Men One

What feels better than oral sex or vaginal sex? That's right, vaginal AND oral sex. Erotic star Rocco Siffredi, who developed the Satisfyer Men One together with Satisfyer also recognized this. The device gives you a mixture of both, delivering intense orgasms. Your new best friend is always ready when you need it and adapts to any penis size. Thanks to the innovative internal pressure regulator and the unique pump feature, the Men One is a real wonder weapon that will spoil you with a unique feeling of vaginal and oral stimulation.

Satisfyer Masturbator Egg for Men

The Satisfyer Masturbator Egg brings him to absolute Eggstasy with its stimulating nubs and flexible, cuddly material. The material is especially stretchy so it can stimulate both the glans and the entire penis. Thanks to the innovative, hydroactive TPE, no lubricant is necessary - a little water is enough to make your wildest fantasies come true - even on the go.

PENTHOUSE lingerie

- Sensual No Taboo crotchless teddy
- Revealing Body Search bodystocking with "Wow" effect
- Figure flattering one-size-fits-all S-L

The two included Penthouse lingerie products are perfect to really turn up the heat in your seductive play: Would you like a cheeky Christmas elf?
